

Fleet Heavy Equipment Technician

Location: Bonnyville, AB

NOVA RPM is seeking a **Heavy Equipment Technician** to join their team in Bonnyville, AB. This is a great opportunity to maintain a diverse fleet while working with a growing, local company. This role primarily works in the Bonnyville shop with some field work required as needed. The ideal candidate takes pride in their work, is highly organized, and is able to work independently while maintaining a high standard of service.

Responsibilities:

- Maintain, troubleshoot, and repair a diverse fleet of on- and off-road equipment
- Complete CVIP inspections
- Perform preventative maintenance and inspections to ensure reliability and safety
- Diagnose and resolve mechanical, hydraulic, and electrical issues independently
- Keep accurate records of maintenance and repairs
- Collaborate with a team of technicians and operators to ensure equipment remains operational

Qualifications:

- Journeyperson Heavy Equipment Technician (HET) certification with proven experience of independent, high-quality work on a variety of equipment
- Experience with construction and earthworks equipment
- Dual ticket of Automotive Service Technician considered an asset
- Strong troubleshooting and diagnostic skills
- Highly organized with the ability to manage tasks efficiently
- Commitment to quality workmanship and attention to detail
- Ability to work independently and as part of a team
- CVIP licensed (Commercial Vehicle Inspection Program)
- Valid Class 5 Driver's License with acceptable Driver's Abstract

Why Join the Team?

- Top industry wages recognizing experience and expertise ranging from \$52 to \$60 an hour
- Comprehensive benefits package and RRSP package supporting employees and their families
- Stable, year-round work
- Work-life balance with a predictable schedule (Monday to Friday)
- Supportive team environment that values professionalism and pride in craftsmanship

About NOVA RPM:

Established in 2008, NOVA RPM, is a locally owned and operated organization serving Bonnyville, Cold Lake, and the surrounding areas. Committed to quality and exceptional workmanship, NOVA RPM upholds the highest standards in every project, fostering a positive and supportive work environment where employees can thrive. The company places a strong emphasis on safety with a comprehensive Health and Safety Program that protects employees, subcontractors, clients, and the public. Dedicated to supporting local talent, NOVA RPM values long-term team members who share its commitment to excellence, safety, and community involvement. As a proud supporter of local organizations, events, and charities, NOVA RPM believes in giving back to the communities it serves.

Ready to bring your skills to a team that values excellence, safety, and community?

Apply now to join NOVA RPM and contribute to projects that make a difference in both the industry and the local community.

Recruitment for this position is supported by Lakeland HR Solutions. Thank you to all applicants; only those selected for further consideration will be contacted.
